

## City of Prayer

**(Hook)**

Some people say our city is bad  
Our city's dying and our community's sad  
But we can change that; use our thoughts for the better  
To find some way to put our city together  
Come together as a helping hand  
Stand side by side woman and man  
People look at our city as a stereotype,  
But until you come here you don't know what it's like  
Shots and screams are what ya'll thought  
But hopes and dreams are all we've got!

**(Hook)**

Enough about the worse let's change for the better  
How do you think I can survive in this weather?  
Prejudice and hate can pull us apart  
But we can pull together with our community's heart  
No guns and no fighting each other  
We're brothers and sisters let's love on another  
Day in say out I walk around with a smile  
I'm proud to say that Clairton, PA is my town  
So to all you haters we'll see you later  
That's why we're known as the "*City of Prayer*"!

**Hook:**

Welcome to my city,  
Miller Ave is the spot  
Come to Neil C. Brown  
Where the Bears are always hot  
As we form together... one big team  
Nothing can stop us from reaching our dreams!
